

YOUR EMPLOYEES (AND CANDIDATES) ARE ON DRUGS

Their **CHEATING.**
Your **DAMAGE.**
Your **SOLUTION.**

This Shocking, Solutions-Based Program

is presented by Award-Winning Author and International Keynote Speaker Andy Masters, MA, CSP

PROGRAM OBJECTIVES:

- **EDUCATE INDUSTRY LEADERS** on the \$1 Billion fake “synthetic urine” industry, fueling employees and candidates to cheat employer drug tests during our tragic U.S. opioid crisis, and changing state marijuana laws.
- **PROVIDE NEW RESEARCH ON THE COST AND LIABILITY DANGERS** associated with workplace drug usage, including violence in the workplace, safety, productivity loss, workers comp costs, and legal liability against organizations not properly screening candidates and employees.
- **OUTLINE CRITICAL ACTION STEPS** organizations must implement to identify cheating immediately, in order to hire qualified applicants, improve productivity, decrease turnover, improve safety, prevent workplace violence, and invoke mental health recovery programs when needed.

The **IMPACT** of this program may not only **SAVE** entire organizations from legal crises, but can help **PREVENT** further drug-related workforce tragedies in our country.

THIS PROGRAM IS CRITICAL for Industries/Audiences Such As:

- Human Resources
- Healthcare
- Insurance / Risk
- Construction / MFG
- Government
- Safety
- Transportation
- CEO / Business Owners
